

World War II and needed medical care before they could be released from active duty.

This is where she met her husband, Daniel Morgan Windley, III, a Marine who participated in the battle of Okinawa. They fell in love almost immediately and were married March 9, 1946, 3 months after they met, for 60 years.

They quickly settled down in Aurora, N.C. where her husband built the home Mrs. Windley lives in today. They had 5 children, Mary Lou, Daniel, William, John W., and Margaret. Three of their children also served in the military (Army, Air Force, and the Coast Guard) and her brother served in the Marines.

It is here, in beautiful Beaufort County, where Mrs. Windley began her decades of public service to Beaufort County. She served as a school nurse and then a county nurse, ultimately retiring from the Beaufort County school system after 2 decades of service.

Because of Mrs. Windley's outstanding dedication and great work ethic, she was awarded the President's Volunteer Service Award by the American Red Cross. This prestigious award requires a minimum of 4,000 hours of documented volunteer service.

I am very grateful for her enduring public service to eastern North Carolina and for the incredible example she has set for all of us to follow in life. It is my honor to recognize her in the hallowed United States House of Representatives. God bless Mrs. Windley, and I thank her from the bottom of my heart for her decades of ceaseless service.

SOUTH DAKOTA 2022 CONGRES- SIONAL APP CHALLENGE WIN- NERS

HON. DUSTY JOHNSON

OF SOUTH DAKOTA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 24, 2023

Mr. JOHNSON of South Dakota. Mr. Speaker, I rise today to recognize and congratulate South Dakota's 2022 Congressional App Challenge winners Katelyn and Casie Dale from Spearfish. The Dale sisters designed an app called "Lighthouse." This is Katelyn and Casie's second Congressional App Challenge victory after winning the 2021 Congressional App Challenge.

Technological literacy is a vital skill for success both in business and daily life. The goal of the App Challenge is to get students excited about the important and growing field of technology and coding. As a parent, I know how important it is to ensure the media we

surround ourselves with has a positive and healthy impact on how we live our lives, which is why I was especially impressed by Katelyn and Casie's submission. The "Lighthouse" app is a program to help kids and adults find literary material that is appropriate.

"While our brains are so amazing, they need to be protected. We are surrounded by all different kinds of media that, if we're not careful, can poorly program our brains especially those of young people and children in ways that we don't even notice or understand . . . that is why we created Lighthouse," said the Dales.

Congratulations again to Katelyn and Casie.

HONORING THE OXFORD, MICHIGAN COMMUNITY

HON. ELISSA SLOTKIN

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 24, 2023

Ms. SLOTKIN. Mr. Speaker, today I rise to pay tribute to the strength, resilience, and heart of Oxford, Michigan: a small town that was forever changed on November 30, 2021. That day, the world watched in horror as news broke that a gunman had opened fire at Oxford High School, killing four people and injuring eight others. It was a community-wide tragedy the depth and breadth of which I have never experienced, and one that forever changed the trajectory of life for all those in and around Oxford.

But before it was a headline, Oxford was a close-knit town, the kind of place where neighbors reach out to help neighbors, where people of all ages gather at the local diner sporting Wildcat blue and gold before packing the stands for Friday night football games.

After the unimaginable happened, Oxford was fundamentally changed, clothed from head to toe in profound and overwhelming grief. While that grief will never completely lift, I have seen this community transform yet again through countless acts of kindness and bravery—both from around the world and from right within this community—because Oxford is a place where neighbors reach out to help neighbors.

The examples would fill a library, but to share just a few: the legions of Oxford businesses like Meijer, Sick Pizza, and Legacy Center that opened their doors to provide a safe haven for students and families and raised hundreds of thousands of dollars to support victims. Their contributions, both financial and emotional, are too numerous to count and will never be forgotten.

Oxford Township President Jack Curtis and Oxford Village President Joe Madore responded immediately to the crisis, and worked tirelessly to provide anything and everything they could. They led their boards to channel grief into action, banding together to bring every available resource—local, state, and federal—into this community. And dedicated public servant C.J. Carnacchio used his skill and stalwart determination to tell Oxford's story, playing a pivotal role in bringing meaningful benefits and resources into the community.

More than 30 emergency service agencies—police, fire, and EMS—rushed into the school that day, and today they continue to
